History of Kiowa Tribe Tax Commission

The Tax Commission was enacted as a commission to collect revenue from different sources through sales taxes from the Kiowa casinos located in Carnegie, Verden, and Devol that sell liquor and tobacco products. In addition, the Kiowa Tribe has Tribal property throughout the U. S. that generates oil/gas refineries allowing the Kiowa Tribe Royalties from these sources as well. One of our biggest sources of revenue comes from the sales of new vehicle tags and renewals. This includes excise tax on brand new vehicles, vehicle tax based on the year of the vehicle, title and lien transactions, and tags/decals issued to vehicles that include trucks, cars, motorcycles, camper trailers, and boat trailers as well any other vehicle that requires a tag driven on the roads.

Director's Message

Greetings Tribal Members:

I am pleased to let you know that since my arrival in July of 2020, we have transformed the Tax Commission Department into one of the best and fastest paced departments in the Tribe that takes its responsibilities serious. For example, since July of 2020, we have serviced over 1200 Tribal members with either tag renewals or new tags through telephone orders, walk-ins and drive-thrus. We have completely renovated the inside and outside of the Tax Commission building with an entirely different facelift that has received accolades from Tribal and non-Tribal members. Our department has scored a 4.8 rating on a scale of 1-5, with 5 being outstanding in timeliness, professionalism, and our Tribal Member waiting room servicing our Tribal members with tags and renewals. Our Drive-Thru opened December 15, 2020 and has received more than 300 Tribal members since its opening. We have grossed over nearly \$300,000 from casino sales tax, oil/gas industry and tag revenue since my arrival in July of 2020. We are in the process of updating our Tax Commission Link on the Tribal website as well as creating an online order form that we hope to have up and running here in the near future.

My Thanks goes out to our Leadership by allowing me the flexibility and patience in allowing our Tax Commission of thinking out of the box.

Respectfully,

Nick Hutchins
Tax Commission Director
